INFORMATION LETTER

Dear Colleagues!

The Basic Organization of culture and languages of the CIS Member States – Moscow State Linguistic University, the Department of Languages and Cultures of the CIS and Near Abroad with the support of the Ministry of Education, Science, Culture and Sports of the Republic of Armenia, Embassy of Armenia to Russian Federation and LLC "The Union of Armenians of Russia" invites you to participate in the **International scientific-practical conference "Armenology in the context of languages and cultures"** that will be held on **18-19 of April 2023**.

Venue: Moscow State Linguistic University; Ostozhenka 36, room 205, Moscow, Russia.

The purpose of the Conference is to study the development and existence conditions of the Armenian language at all periods of human history (from ancient times to the present) and the ethnogenesis of the Armenian people.

Directions of the Conference work:
1. Traditions and Innovations in Methods of Teaching the Armenian Language and Literature.
2. The Armenian Language: Translation and Interpretation Challenges Nowadays.
3. Comparative-Historical Linguistics.
4. Intercultural Communication: Language and Thought.
5. Latest Research in Terminology of The Armenian Language: The Impact of Scientific and Technological Progress and Modern Conditions.

Scientists, professors, faculty members, heads of institutions of additional professional education, doctoral students, graduate and undergraduate students, representatives of international and public organizations are all invited to participate in the conference.

The official languages of the Conference are Armenian, Russian and English.

Forms of participation: In-person or remote (online).

The proceedings of the conference will be published in an electronic compendium with the assignment of ISBN and will be placed article by article in the RSCI base (Russian Science Citation Index).

Requirements for articles published in RSCI

1) The volume of the work has to be more than 3 pages;
2) Articles are presented in MS Word (doc or docx);
3) Visual information (pictures) is sent in jpg, bmp, gif file formats. Please, add some description to the files;
4) Text formatting (font size – 14 points, line spacing – 1.5 lines, paragraph indentation – 1 cm, alignment type – justify);
5) The article is accepted by the editors only after the assignment of the UDC (Universal Decimal Classification Index). It can be manually obtained on the official resource of the IIC Scientific Library;
6) Presence of a library-bibliographic classification is mandatory for RSCI publications.

The Procedure of Providing the Materials

It is necessary to send your application and article to armconforgcom@mail.ru organizing committee mail. The example of application form is given below.

Your application and the materials for publication should be named with your surname and initials. (Example: Ivanov I.V._application.docx; Ivanov I.V._article.doc). The filetype is doc* or docx*. If there are more than two authors, name the file after the first mentioned.

The organizing committee reserves the right to reject articles or applications that do not meet the above requirements or do not touch upon the directions of conference work.

Requirements for the Articles
